Skillmine Technovation 2019

Powered by Technology Driven by Innovation

Four Seasons Hotel Riyadh
at Kingdom Centre, Riyadh, KSA

Skillmine Technovation 2019 was the first successful conference of Skillmine held in Riyadh, KSA. The conference had very good interest from some of the lead customers around the cutting edge technologies which were demonstrated by Skillmine.

Skillmine Technovation 2019 was a striking convergence on the journey through the technology trajectory, referring to the key topics arising from technology mines to key trends and success stories.

The conference had brought together local cross-industry Leaders from Enterprise Organizations from across KSA. The objective of the event was to focus on a multitude of frontier Technologies to provide a deeper insight into some cutting edge Technology innovations and products related to AI/ML & Data Science, Automation and Analytics, AI-driven IT operations, Information Security, Compliance, Fraud Prevention & AML, etc.

The event brought a mindful convergence of Technology experts, research heads and industry captains with a house over 50+ key selected delegates. The event also sought to gather feedback around critical, technical, commercial and policy-related challenges that the businesses face.

*"Talent wins games,
but teamwork and intelligence
win championships."*

Teamwork is the ability to work together towards a common vision. The ability to direct individual accomplishments towards organizational objectives. It is the fuel that allows common people to attain uncommon results. Individual commitment to a group effort – that is what makes a team work a company work, a society work, a civilization work.

Dear Skillminers, the success we got is the result of all your hard work, counting with you is like betting to the winner, we are what we are. Thanks to the quality of work you do. We took a while to appreciate the moral support, effort and high-quality work you have given for the organization. Thank you for your contribution to our success! May you all continue to inspire Skillmine for many years to come.

Please extend your warmest welcome and good wishes to our new mates.

Exciting news everyone- We have expanded in Mumbai.

We have moved
to a new office in Mumbai!

Over the past couple of years, our team in the Mumbai office has doubled in size. After months of preparations and some difficult work done by some of our colleagues directly involved in organizing the whole process, Our team has moved to a new location in Mumbai.

Speaking Corner

With a name meaning tree in Sanskrit, Sirisha joined Skillmine as an HR executive on 26th October 2019 and since then, has been giving her valued contribution to the HR team of Skillmine. For her friendly nature and commendable work enthusiasm, she is called 'Maa' meaning mother of 26 kids from our ICICI team. She loves interacting with colleagues and hanging around with friends and family.

Sirisha speaks " My journey is Skillmine so far has been awesome, as I had a good supportive hand from my team. Skillmine has given me scope to see my skills develop well. I still have a long way by at Skillmine and a lot to learn"

Thumma Sirisha
HR Executive

Gracing the Skillmine family in October as a DevOps consultant, Ajay has been an active contributor for the DevOps team. Being a cricket lover, scriptwriter and a big fan of MS Dhoni, Ajay also loves learning new concepts related to DevOps. Ajay has completed his Bachelor's degree in Information Technology from A M Reddy Memorial college of Engineering and Technology.

Ajay Speaks " My journey in Skillmine has been very good, Skillmine is one of the best organizations that I have worked so far in my career. I have got good support from all my seniors in learning and understanding new concepts, new ideas, etc. Skillmine has the best culture of recognizing employees for their efforts and results."

Ajay Kumar
DevOps Consultant

With a name meaning Lord Shiva, Ever smiling Harish spreads the kind of warmth much needed in the Technology space. Harish started his journey in Skillmine as a senior consultant working for an IT transformation project in Saudi Arabia. Working remotely from Bangalore office for a leading customer in the Middle East, he also started handling local Infra projects for Skillmine and hence was promoted as the Technology Manager. Harish loves to learn and play new concepts in IT.

Harish speaks " I am so much happy and excited to see the growth of Skillmine. We, Skillminer's are such a great team who are the source for winning our customer's trust and loyalty consistently by providing our extra-mile delivery, commitment, teamwork, innovative ideas and adding value to their business with our immense skills and knowledge."

Harish Prakasam
Technology Manager

Taking an image, freezing a moment, reveals how rich reality truly is. The moments we share are the moments we keep forever

Key message

"No one can whistle a symphony. It takes a whole orchestra to play it."

Dreaming big becomes an addiction when there is a team of highly motivated members. Success is sweet. But it's sweeter when it is achieved through coordination, cooperation & collaboration. Our goal is to offer the best possible service, be more productive. All this is done with the help of enthusiastic, trustworthy and zealous experts like you. So, Let us all have the courage to stand up every time and face the challenges with new hope. All the best.

Samir Mehta
VP - Delivery Manager
