- Information Security**
- App Development, Management & ERP**
- Consulting**
- Automation**

Value Proposition

Managed Services

Our Services

Value Proposition

Helping & Improving clients' Business processes & Delivery efficiency

Closing the gap of Skill & Compliance

Adding the value in terms of Knowledgebase, Tools & Expertise

Focus on continuous Improvements, Productivity & Cost efficiency

Automation.
Easy adaptation to cutting edge technologies

Transparent & Adaptive Governance Model

IT Infrastructure Engineering

Enterprise Computing

Storage Services

- Server Disk Storage
- Mainframe Disk Storage
- Media Services
- Data Backup

Data Centre Services

- Capacity Planning
- Refresh & Augment

Platform Services

- UNIX/Linux Support
- Windows Support
- Utility Computing

Messaging Services

- Messaging Security
- Messaging Platform Support

Enterprise Network

Managed Networks

- Managed Router
- Managed Switch
- Network Security
- Carrier Networks
- Net Ops / Advanced Monitoring
