SKILLMINER'S SPEAKING CORNER

“

Savneet Nagi

Senior consultant- Information Security

With a name meaning “loved by all”, Savneet, our Punjabi munda is in real loved by all Skillminers for his friendly nature and commendable work enthusiasm. Savneet joined Skillmine in March’18 and since then, has been giving his valued contribution to the cyber security team of Skillmine. Graduated in B.A. from Delhi University, he is CCNA and MCSE certified. Keeping up with his strong inclination towards bike ridings, Savneet also is the co-founder of a leading motorbike rental & adventure tours company in Delhi.

Savneet speaks, “Skillmine has given me my sought-after exposure to work in my domain and the best part is, top-management is easily approachable for any queries. Also you get your hands-on different tools to explore your potentials”.

”

“

Mayank Agrawal

Senior consultant- Information Security

Gracing the Skillmine family in July’16 as an IT consultant, Mayank’s dedication towards his work made him to turn out as the Team Lead of Myntra SOC in a short span. Mayank is B.Sc in Infrastructure Management System from Sikkim Manipal University. He is certified in ITIL Foundation V3 and lean Six Sigma Green Belt. He loves utilizing his weekends actively by playing Cricket & traveling across.

Mayank says, “I always prefer smart work over hard work. After my rigorous 2-year contribution, Skillmine recognized my efforts & gave me the opportunity to lead the team of Myntra SOC. One just needs to focus on work & perform good, SMTC will then give you the chance to grow, soon”.

”

“

Ajay Kumar

Senior executive- HR

A much known face of Skillmine who has made many faces known to Skillmine, with his commendable recruiting skills is Ajay. He is undeniably liked by all for his vivacious nature. Graduated in B.A. Economics and post-graduated in MBA (IT-HR) from Rajasthan University, Ajay has been hunting top talents for Skillmine Technology since Oct’16. Ajay keeps himself upgraded with knowledge of running technologies and has excellent technical skills. He is active on LinkedIn with 19K connections and is a member of around 900 recruitment groups on Facebook. He aims to double his recruitment count every year.

Ajay speaks, “Skillmine gave me the opportunity to work within my interest area in recruitment space especially in IT Infrastructure and information security with focus on Quality. This is the place where I have always been appreciated & encouraged and have learnt new things enormously”.

”

- ▶ We have registered ourselves in **Chennai** and has been tracking new wins with the joining of **Subramaniaraajaa JVR** (Regional sales manager- Chennai).
- ▶ **Arpita Shetty** from Skillmine’s team deployed at **Sony** has been awarded best performer for the Quarter Q2. She continues to inspire her team with her commendable work spirit.
- ▶ Let’s applaud for **Mr. Narendra Kanna** & the entire team for proficiently completing the transformation of IT infrastructure by redesigning platforms, systems, networks and security solutions for **AMNCO**.
- ▶ “Welcome to the world, little one”. Warmest congratulations to **Saurabh Mishra** on the birth of his sweet baby girl and to **Prashant Morekar** on the birth of his charming baby boy.

We are delighted to expand our business in Bangalore by shifting to a new office in Bellandur to meet prospects, deliver high quality solutions and build credibility for the business opportunities.

Time for good cheer, as Skillmine complete 5 years!

Dance, sing along, personate and play your part. Get ready to showcase your talent on a team outing next month.

The Countdown Starts!

We are proud to deliver our first PCI certificate to AMEX in Saudi.

Thanks to the efforts of Mohsin, Nitin, Srishti & entire TEAM.

Jaya Krishnan's (VP - Head Technology & Consulting) message for a successful 2019

“

As a growing organization, we should look forward to having better efficiency in our business operations to increase productivity. We as a team should look forward to profitable operation with increasing revenue while limiting our expenses. We should always thrive to achieve our ultimate objective of being able to bring value to our Customers Growth.
